WICKED WISH

Hair & Make-up

Girls hair-

STEP ONE

Secure hair into a neat, tight ponytail. Use hair spray to keep shorter ends off the face and neck.

STEP TWO

Twist hair into a flat bun shape and secure with plenty of hair pins.

STEP THREE

Use a fine hair net, matching hair colour, to secure the bun in place and use additional pins to hold.

STEP FOUR

Finish with some additional hairspray and comb any ends back off the face and neck.

Boys hair-

Please arrive with hair looking smart and neat!

Adults hair-

If you have longer hair, please style it in any “up do” you are happy with.
